

Empowering learning through dynamic and innovative training solutions...

About Us

As one of Australia's premier resource providers for over 15 years, TRS understands the unique needs of training organisations, learners, trainers, and compliance. We integrate these key areas seamlessly to develop user-friendly resource and assessment packages for various VET training packages.

What sets us apart is our commitment to excellence. Our training resources are 100% developed in-house, ensuring the highest quality and consistency across every package we offer.

Wide Range of Training Packages

We provide a wide array of training resources across multiple packages, expertly tailored to meet the unique needs of diverse industries.

Online Training Platform

We offer an all-in-one platform with AI-powered course building and advanced LMS features for effortless engagement and learner tracking.

Teacher Support Tools

We offer comprehensive support tools that are easy to download, customize to your needs, and share directly with your learners.

User-Friendly Solutions for Modern RTOs

We deliver high-quality, user-friendly training and assessment resources for RTO compliance and educator ease. Our offerings include modern, value-for-money products and a world-class online training platform, tailored for any size training organisation.

Perfect Training Structure

The right training structure is essential. Our range of flexible resource products allows you to tailor training for any number of learners or trainers to meet your exact needs.

LMS Ready Files

Our fully interactive eLearning content comes in LMS-ready files, designed for seamless integration with your existing learning management system.

Bespoke Development

We can transform your old-style resources into fully interactive eLearning that encompasses visual graphics, challenges, and summative and formative assessments.

Elevating Your Training Experience with Expertise and Value

With our strong hospitality background through our sister RTO, Culinary Solutions Australia, we strive to deliver five-star service and modern, cost-effective products that meet both your needs and those of your learners.
