

Australia's First and Only Student & Learning Management System

with Compliance Management
Systems "Built In" NOT "Tacked On"

Quality Management System

Instant Visibility. Total Assurance.

- ✓ Map evidence directly to 2025 Standards for RTOs
- ✓ Drill down to performance indicators in seconds
- ✓ Colour-coded alerts flag compliance gaps instantly
- ✓ Automated tasks & reminders = no missed deadlines

→ **Audit stress eliminated.**

Risk Management System

Turn Risk into Actionable Insight.

- ✓ Log, control, and track every compliance risk in real time
- ✓ Live dashboards highlight Critical → Low risks
- ✓ Assign owners, apply controls, track effectiveness
- ✓ Residual risk updates prove what's working
- ✓ Custom workflows keep governance accountable

→ **Smart, proactive risk decisions.**

Validation Management System

Validation Without the Stress.

- ✓ 3 & 5-year cycles tracked with colour-coded bars
- ✓ Risk-based scheduling prioritises high-risk units first
- ✓ Automatic alerts for overdue events or expertise gaps
- ✓ Validation calendar with full audit trail

→ **Always audit-ready, always improving.**

Trainer Credential Management System

The all-in-one RTO platform for effortless trainer compliance management.

- ✓ Restrict access to assigned tasks for data security.
- ✓ Get real-time alerts for trainer compliance risks.
- ✓ Centralise trainer qualifications and supervision logs.
- ✓ View full trainer profiles with delivery permissions.
- ✓ Track supervised delivery linked to qualifications.

Compliance in Every Detail, Simplified.

The only RTO Solution with all these compliance features built in:

- ✓ Complaint and appeals management system
- ✓ Trainer Competency Matrix – with automated tasks and notifications of expired evidence
- ✓ Continuous improvement register
- ✓ Learner and employer surveys
- ✓ Automate LLN and digital skills assessments, from evaluation through to enrolment in the student's chosen course.

- ✓ **USI Validation:** Automated USI checks before certificates are issued.
- ✓ **Certificate Issuance:** Certificate issuance with QR codes, reducing fraud and administrative burdens.
- ✓ **Assessments:**
 - ✓ Verify student identity with webcam authentication.
 - ✓ Capture skills demonstration on any device.
 - ✓ Digital Observation Forms for skills assessment anywhere.
